

## IAN GOMES

WE ARE DELIGHTED TO PRESENT THE RITZ RESIDENT PIANIST

The son of a celebrated concert violinist, Ian Gomes developed a love for the piano as a child and began his career as a classical pianist before graduating to popular music.

Extending his talent across the musical spectrum, Ian formed a successful rock band called 'The Kings' and worked with such musical luminaries as Frank Sinatra before taking up his position as resident pianist, firstly at The Savoy and since 1995, at The Ritz.

Ian Gomes is the master of the international language of the piano. He is renowned for playing frequently requested songs and melodies from every country across the globe. Today he can be heard playing during Afternoon Tea in The Palm Court, and during dinner in The Ritz Restaurant. He is noted for his popular renditions of 'Puttin' on The Ritz' and 'A Nightingale Sang in Berkeley Square' which have become traditional favourites.
