About Amaro Santoni

Amaro Santoni (16% ABV) is a multi-award-winning “dolce-amaro aperitivo” of the highest quality, offering an elegantly light taste of Tuscan summer led by rhubarb and iris with undertones of citrus and olive leaves. Amaro Santoni is already on the menus at some of London’s best bars and is available now from [The Whisky Exchange](#) and [Amazon](#) for £26.95.

Imbued with 34 natural herbs and botanicals and inspired by one of Gabriello Santoni’s most heartfelt and personal recipes, the lightly alcoholic liquid goes beyond the classic concept of amaro and pays homage to the treasures of its hometown, Florence, in both form and flavour. In early 2021 Amaro Santoni began its long term collaboration with Luca Missaglia as Managing Director Partner and Simone Caporale as Global Brand Ambassador, both key figures in the international bartending industry and their consultancy business Cocktail Concierge.
